Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
General Comments:	Paige did a great job in my fourth grade classroom. I often forgot she was doing her practicum, she is definitely ready to student teach. She had a good rapport with the students and put in many hours prior to starting this practicum assignment. She was always willing to help out with whatever I asked of her and was not just an observer in the classroom. Paige will be a great teacher.
